STEAM FUN!

Our students have been doing some cool STEM activities during Breakfast Club and Fun Friday. Students built self driving cars during an enrichment activity

Principals Corner

Last month we had our first fun run on campus.

The kids had a blast and each class had a winner for most laps ran. Thank you to all those families and friends that supported the school fundraiser. Thank you for helping your students improve their attendance as it is important that student be present to learn! I am excited to be a part of our Fall Festival this year.
